School Description

The mission of Gerber Elementary School is to team with families to create a college-oriented culture where students are safe, respected, and empowered to contribute in a global community. Our vision statement is "Inspiring students to dream big..." and our motto is "Work Hard, Dream Big!".

It is our belief that knowledge is power and that our students will have greater opportunities in life if they attend college. We are a proud member of the No Excuses University network that promotes college and career readiness and is built around six systems that lead to student success. The six systems are: creating a culture of universal achievement, collaboration, standards alignment, assessment, data management, and interventions. We portray powerful college symbolism in classrooms and around the school. Examples of this symbolism include: each classroom has adopted a university to represent; university flags hang proudly in our classrooms and main hallway; some teachers have painted their university emblem on the outside of their classroom doors; and the staff and students wear NEU shirts on Mondays, college shirts on Wednesdays, and school colors on Fridays.

We have a strong sense of Gerber Pride on our campus. Our school culture centers on building student character and self-esteem, while setting high expectations for future success. We focus on educating the whole child and have balanced our interventions to meet both academic and social and emotional needs.

We have implemented the California Common Core State Standards (CCSS) at every grade level and test our 3-8 grade students using the California Assessment of Student Performance and Progress (CAASPP) each spring. We consulted with stakeholders to create our Local Control Accountability Plan (LCAP), and have made it a priority to align our programs with 21st Century Learning.

The school uses a variety of methods to evaluate the effectiveness of its overall program each year. Stakeholders are involved in the evaluation process through School Site Council (SSC) and the District English Language Acquisition Committee (ELAC/DELAC). Results of this process are communicated to all segments of the school community in a variety of ways, including the School Accountability Report Card (SARC) and student report cards.

Gerber Union Elementary School serves approximately 425 students in grades TK-8. A state funded pre-school is located on campus which feeds into the Gerber School population. The Gerber School District is characterized as a rural unincorporated area of approximately 70 square miles in the center of Tehama County. It is one of 14 small school districts within the county and is a feeder school for Red Bluff High School District.

The number of English Learners (EL), limited or non-English speaking students, in the school has grown at a faster pace than the general population. Over 50% of the overall student population are EL students and within that 50%, is an increasing number of non-English speaking students. Approximately 88% of the student body qualifies for either free or reduced priced lunches.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	51
Grade 1	49
Grade 2	46
Grade 3	42
Grade 4	52
Grade 5	47
Grade 6	39
Grade 7	43
Grade 8	41

Two or More Races	2
Socioeconomically Disadvantaged	87.6
English Learners	46.3
Students with Disabilities	7.8
Foster Youth	1

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Gerber Elementary School	14-15	15-16	16-17
With Full Credential	21	22	23

All Schools	100.0	0.0
High-Poverty Schools	100.0	0.0
Low-Poverty Schools	0.0	0.0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Language Arts:

The school district has recently adopted and implemented the Wonders ELA/ELD curriculum for grades TK-5. The 6-8 grades will pilot three new ELA/ELD programs during the 2016-2017 school year. The district is in the process of implementing a Multi-Tiered System of Supports for both academic and behavior interventions. The District uses iReady lessons and various other software programs to supplement core.

English Language Development (ELD):

English Language Development is embedded throughout all curricular areas. All teachers have their CLAD credential and we employ a full time ELD teacher as well as an RTI teacher. ELD is provided to students through core instruction; small group push-in; and targeted pull-outs and RTI support.

Math:

The school district has adopted MacMillan McGraw Hill in grades TK-5 and California Math, McGraw-Hill in grades 6-8. Math is supplemented with iReady lessons and various other software programs.

History/Social Science:

Scott Foresman is used in grades K-3, Harcourt Brace in grades 4-5, and Holt, Rinehart, Winston in grades 6-8.

Science:

The District currently has adopted McMillan/McGraw-Hill for grades K-6 and CPO for grades 7-8

Visual and Performing Arts:

Currently, the district supports graphic and other media arts as integrated elements of our language arts and social science curriculum. In 2006-2007, Gerber School purchased the Arts Attack program. Examples of student artwork are displayed throughout the school year in their respective classrooms, hallways, library, and cafeteria. The artwork can also be viewed during Back to School night and Open House. Gerber School owns a kiln and students have the opportunity to acquire ceramic skills.

Physical Education:

The P.E. program emphasizes age-appropriate motor skill improvement and physical activities as major goals for all students. Various curricular materials are used by individual teachers, including S'cool Moves, a motor-skill developmental program for grades K-6. In 2007 the school built a new track to enhance physical education programs. In 2009 the district added an exercise course. During the 2014-2015 school year, Gerber School brought in the Royal King Dance Academy to teach dance and discipline to all students TK-8. This is a two-week program that concludes with an evening community performance. It is our intent to incorporate Royal King Dance into our curriculum once a year as long as funding permits.

School Facility Conditions and Planned Improvements (Most Recent Year)

Gerber Elementary School was originally constructed in 1954. Since that time, additional classrooms have been added. The majority of the school was modernized in the early 1990s. The entire school was repainted in the summer of 2003. The playground was repaved in 2004. In 2006 the school was awarded a 2.5 million dollar modernization grant to address fire/safety and ADA needs. In addition to extensive ADA modernization work, the school's exterior was completely painted, new cafeteria floor, new ansel system in kitchen, front landscaping, interior classroom painting, new HVAC units on regular construction classrooms, office and cafeteria, and safety door handles were added on all doors. New carpet is replaced in classrooms as needed. In the summer of 2014, the computer lab was completely remodeled. In 2015, all of the lighting was replaced with LED lights and the roof on the Multi-Purpose Room (MPR) was replaced. Roofs and portable buildings have been repaired and replaced as necessary.

The capacity of the existing school is 537 students. This includes using many portable classrooms. The school staff works hard to ensure that the buildings, grounds, and restrooms are safe and clean. Students are responsible for helping to ensure a clean, safe, school facility.

All classrooms are Internet accessible, with updated computers available for student use. Students regularly work in a fully equipped computer lab. The library exceeds the standards for the number of books set by the American Library Association.

Tehama County Office of Education houses three special education classes and the county DHH class on campus. A state preschool was added to the campus in 2002.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2015-16 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
ELA	27	27	26	27	44	48
Math	15	14	14	14	34	36

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16
Science	45	46	45	44	43	45	60	56	54

* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	31.4	23.5	31.4
7	11.6	16.3	34.9

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	97	91	93.8	45.1
Male	50	46	92.0	43.5
Female	47	45	95.7	46.7
Hispanic or Latino	68	64	94.1	42.2
White	25	24	96.0	54.2
Socioeconomically Disadvantaged	86	81	94.2	43.2
English Learners	43	43	100.0	34.9

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

	4	19	18	94.7	38.9
	5	12	11	91.7	27.3
	7	14	12	85.7	25.0
	8	13	12	92.3	27.3
Socioeconomically Disadvantaged	3	35	35	100.0	20.0
	4	47	45	95.7	22.2
	5	50	47	94.0	23.4
	6	37	36	97.3	19.4
	7	38	36	94.7	27.8
	8	36	36	100.0	30.6

School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
English Learners	3	24	24	100.0	12.5
	4	22	22	100.0	18.2
	5	26	26	100.0	15.4
	6	18	17	94.4	11.8
	7	20	20	100.0	10.0
	8	17	17	100.0	11.8

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Gerber Elementary School believes student success depends on parents and schools working together. We actively seek parent involvement in our students' education. We have adopted a Parent Involvement Policy that can be located in the front office. Parents are invited to participate at all levels, from helping in their child's classrooms, to getting involved in the Parents' Club, or even serving on advisory committees; such as, SSC and ELAC/DELAC. The Parents' Club, SSC, and ELAC/DELAC meet regularly and make recommendations to benefit our students and school. The advisory committees give input to, and help identify goals for, the Local Control Accountability Report Card (LCAP).

We make every effort to keep parents informed about what is happening at school. Communication is offered in a variety of ways; such as: newsletters, website, conferences, and phone notification system. Each parent receives three handbooks at the beginning of the year: 1) The Common Core State Standards handbook, which explains grade level learning standards in the core subject areas; 2) Rights of Parents and/or Legal Guardians; and 3) Parent/Student Handbook that explains important information about our school programs along with student rules and responsibilities.

Gerber School works in conjunction with School Readiness programs that offer support services to families that have children between the ages of 0-5. We can also offer resources for other support services; such as, counseling, parent and adult education classes, and family literacy.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Gerber Elementary School has in place a comprehensive School Safety Plan to serve as a school guide for handling critical incidents; such as, code red, fire, earthquakes, hazardous materials, or other disasters and emergencies. The School Safety Plan is available for review in the main office. The School Safety Plan, updated and reviewed with staff in August, 2016, examines the issue of safety on our school campus and recommends strategies and actions for the school's physical environment and culture. The plan identifies designated members of the Crisis Response Team (CRT) and their specific jobs and responsibilities. Students take part in regularly scheduled code red, fire, and earthquake drills. All staff members have been issued identification badges, and visitors must sign in at the office and wear visitor badges for proper identification.

District Nurse: The Gerber Union Elementary School District nurse is on site on a weekly basis. However, a nurse is available to assist if the need arises. The nurse gives State-mandated dental, vision, and hearing tests, and notifies parents if a concern about a student's health arises.

First Aid & Emergency Forms: First aid, defined as the immediate, temporary care given in case of accident or sudden illness, will be given when necessary. First aid will be rendered by anyone qualified to do so. In case of an accident requiring the services of a doctor, every attempt is made to contact the parent or guardian before the child is taken to the hospital. Emergency treatment cannot be administered unless a signed form is on file. For this reason, parents should inform the school immediately of any changes in address or telephone numbers. Emergency information is communicated to emergency personnel.

Administration of Medication Policy: To conform with the California Education Code #49423, the Gerber Union Elementary School District has adopted the following policy: any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician, may be assisted by the school nurse or other designated school personnel if the school district has received, (1) a written statement from such physician detailing the method, amount, and time schedule by which medication is to be taken; and (2) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matter set forth in the physicians statement. Only medications prescribed by a physician, accompanied by parent or guardian's signed Request for Medication form will be administered. The medication must be brought to the Office Clerk in the original container. If the child needs over-the-counter medication, inhalants, etc., the child must follow the same procedure as for prescribed medication. Students are not allowed to carry prescription or non-prescription medications on their person or on the school grounds during school hours.

Suspensions and Expulsions

1	19	24	24	2				2	2			
2	19	22	24	2				2	2			
3	23	23	23				2	2	2			
4	28	29	26				2	1	2			
5	33	29	31					2	2	1		
6	31	29	31				2	1	1			

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
English												
Mathematics												
Science												
Social Science												

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

The District offers three full days of professional development to certificated staff per year and ongoing training as necessary during minimum days and staff meetings. Staff development is scheduled on-site when feasible, and offers opportunities for staff to improve and maintain professional skills. Staff development is also delivered on-line. Staff development topics are relevant to student success, school goals, and professional growth.

Monthly staff and grade level meetings allow for additional staff development, as well time for planning and collaboration. Title I money is used to help insure that all of our teachers and paraeducators meet the requirements of "highly qualified" standards of the No Child Left Behind (NCLB) Act.

FY 2014-15 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,967	\$41,085
Mid-Range Teacher Salary	\$59,255	\$59,415
Highest Teacher Salary	\$79,862	\$75,998
Average Principal Salary (ES)		\$100,438
Average Principal Salary (MS)		\$101,868
Average Principal Salary (HS)		
Superintendent Salary	\$108,000	\$116,069
Percent of District Budget		
Teacher Salaries	38%	33%
Administrative Salaries	7%	7%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

FY 2014-15 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$9,102			\$67,261
District	♦	♦		\$64,934
State	♦	♦	\$5,677	\$60,985
Percent Difference: School Site/District				3.6
Percent Difference: School Site/ State				10.3

Types of Services Funded

Gerber Elementary School employs a full-time RTI, ELD, and RSP teacher, as well as a number of instructional aides.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
