

*A child's friend through and beyond
a parent's cancer.*

Gerber School is proud to unite with Camp Kesem and support their commitment to help thousands of children in our country touched by a parent's cancer. During the Great Kindness challenge week, Gerber School will challenge every NEU student to help assemble a Camp Kesem caterpillar on our campus! A template for a caterpillar section will be available to purchase and decorate for **\$1** each. Please see Mrs. Darst or Miss Cori to purchase the caterpillar section. All proceeds will be collected and donated directly to Camp Kesem!
